Die Wahl der Farben und Materialien entscheidet über die sinnliche Wahrnehmung des Küchenraumes. Hier bietet die LEICHT Kollektion mit 51 Programmen und über 2.000 Farben ein breites Spektrum, das ein Höchstmaß an individueller Raumgestaltung erlaubt und dabei auch den Wohnbereich mit einschließt.

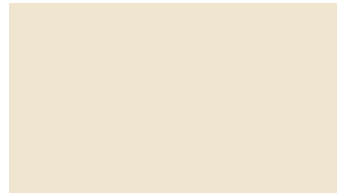

The choice of colours and materials determines the sensual perception of the kitchen area. Here the LEICHT Collection with 51 programmes and more than 2.000 colours offers a broad spectrum, allowing the highest degree of individual room arrangements, whilst also including the living area.

Le choix des couleurs et des matériaux définit la perception sensorielle de la cuisine. La collection LEICHT offre ici avec 51 programmes et plus de 2.000 couleurs un large éventail qui permet des conceptions individuelles de pièces au plus haut niveau y compris la salle de séjour.

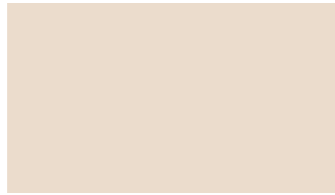

La elección de los colores y de los materiales decide sobre la percepción sensorial que se tiene del espacio de la cocina. Aquí la Colección LEICHT le ofrece el más amplio espectro con 51 programas y con más de 2.000 colores, que permite en gran medida una realización individual del espacio, en el que se puede integrar también la zona habitable de la casa.

De keuze van kleuren en materialen is beslissend voor de zintuiglijke waarneming van de keukenruimte. Hier biedt de LEICHT collectie met 51 programma's en meer dan 2.000 kleuren een breed spectrum dat een maximum aan individuele interieurontwerpen mogelijk maakt en daarbij ook het woongedeelte omvat.
